March 2023

Dear Shareholder

INTRODUCTION

The purpose of this letter is to provide you with an explanation of the Resolutions to be proposed at the 135th Annual General Meeting ('AGM') of the Company which will be held at the V&A Dundee, 1 Riverside Esplanade, Dundee, DD1 4EZ on Thursday 27 April 2023 at 11:00am and to seek your approval of them.

The meeting will be held in person and will also be streamed live to shareholders. A web link will be provided on the AGM Form of Proxy/Form of Direction for those shareholders wishing to attend the AGM via the live stream. The Board encourage shareholders to exercise their vote in advance of the meeting by appointing the Chair of the AGM as their only proxy and providing voting instructions. This will not prevent shareholders from attending on the day but will ensure that their votes will be counted.

The Board and representatives from Willis Towers Watson ('WTW'), the Company's Investment Manager will be present in person at the meeting, with both the Chair and the Investment Manager, presenting to shareholders. Following the presentations there will be a question-and-answer session where the Board will respond to questions submitted by shareholders in advance and during the meeting. The Board would welcome your attendance at the AGM.

The Notice of AGM is set out on pages 8 and 9 of this document.

In addition to the ordinary business of the AGM (Resolutions 1 and 2 and 4 to 12 inclusive) shareholders will be asked to approve the following resolutions; approval of our Dividend Policy, this was approved by shareholders at our last AGM and reaffirms our aim to provide a rising income (Resolution 3); the renewal of the share buyback authority with the authority to hold shares in treasury and to sell them into the market at a later date (Resolution 13); to approve the sale of treasury shares without the Company having to offer them first to existing shareholders in proportion to their existing holdings (Resolution 14) and to permit a general meeting, other than an AGM, to be held on 14 days' notice (Resolution 15). Each resolution is described below.

RESOLUTION 1

The Directors must present the audited financial statements, Directors' Report and the Independent Auditor's Report for the previous financial period to shareholders at the AGM and the shareholders are being asked to receive them.

RESOLUTION 2

Shareholders are asked to approve the Remuneration Report as set out on pages 68 to 73 of the Annual Report. There are no changes to the levels of fees being paid for 2023.

RESOLUTION 3

Since 2006 the Company has paid quarterly interim dividends on or around the ends of June, September, December and March each year. Due to the timing of our AGM, in April or May, the Company has not proposed a final dividend (paid in March) to the AGM for shareholder approval, preferring to give shareholders certainty of the dates on which they will receive their income.

Recognising that shareholders should be able to make their views on the Company's dividend known, the Board has decided to submit its Dividend Policy to shareholders for approval each year. The Company will continue to have a progressive dividend policy, paying a dividend that increases year on year. The wording of the Policy is set out here:

Subject to market conditions and the Company's performance, financial position and outlook, the Board will seek to pay a dividend that increases year on year. The Company expects to pay four interim dividends per year on or around the last day of June, September, December and March and will not, generally, pay a final dividend for a particular financial year.

In determining the level of future dividends, the Board will take into account factors such as any anticipated increase or decrease in dividend cover, projected income, inflation and yield on similar investment trusts.

The Board will continue to take advantage of the Company's structure as an investment trust and will use both its investment income and its significant accumulated distributable reserves to fund dividend payments.

RESOLUTIONS 4 TO 10

The Company's Articles of Association require that all Directors stand for re-election every three years, however, in accordance with the AIC Code, the Board has agreed that all Directors who have served for the full financial year will be subject to annual re-election. Accordingly, with the exception of Anthony Brooke who will retire at the conclusion of the 2023 AGM, resolutions proposing the re-election of Gregor Stewart, Sarah Bates, Dean Buckley, Jo Dixon and Clare Dobie will be put to shareholders for approval.

During the year under review, Vicky Hastings and Milyae Park were appointed to the Board. Vicky has extensive experience in fund management, both as a fund manager and business leader, while Milyae's diverse career spans financial services, retail, and technology. Having been appointed during the year, resolutions proposing the formal election of Vicky and Milyae will also be put to shareholders for approval. Their biographies can be found on page 7 of this document.

RESOLUTION 11

Shareholders are required to re-appoint an auditor at each general meeting at which accounts are presented. This resolution proposes the reappointment of BDO LLP as the Company's auditor.

RESOLUTION 12

This resolution gives authority to the Directors to determine the remuneration of the auditor.

RESOLUTION 13

This resolution seeks authority for the Company to make market purchases of its ordinary shares and is proposed as a special resolution. If passed, the resolution will give authority for the Company to purchase up to 43,746,006 of its ordinary shares, representing 14.99% of the Company's issued ordinary share capital as at 6 March 2023.

The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire on the earlier of 15 months after the passing of this resolution and the Company's AGM that will be held in 2024.

The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally and consider the effect will be to increase the net asset value per share.

This year we are again asking shareholders to authorise the Company to hold the ordinary shares that are repurchased into treasury and then have the option to either cancel the shares or resell them for cash into the market at a later date. We did not make use of this authority in 2022. However, it gives the Company more flexibility to manage any discount or premium and to balance supply and demand.

As at 6 March 2023 (being the latest practicable date prior to the publication of this Notice) there were no outstanding warrants or options to subscribe.

RESOLUTION 14

If the Directors wish to re-issue ordinary shares from treasury for cash, company law requires that these shares are offered first to shareholders in proportion to their existing holdings. The purpose of this resolution is to authorise the Directors to re-issue ordinary shares from treasury for cash either in connection with a pre-emptive offer or otherwise up to a nominal value of £729,586 equivalent to 10% of the total issued ordinary share capital of the Company, excluding those ordinary shares held in treasury, as at 6 March 2023, without the ordinary shares first being offered to existing shareholders in proportion to their existing holdings. The Directors do not intend to re-issue ordinary shares from treasury for cash on a non pre-emptive basis in excess of an amount equal to 7.5 per cent of the total issued ordinary share capital of the Company excluding those ordinary shares held in treasury within a rolling three-year period, without prior consultation with shareholders.

The Directors will only re-issue ordinary shares from treasury at a premium to the net asset value and where it is in the best interests of shareholders generally. In no circumstances would the Directors use the authority to dilute the interests of existing shareholders by re-issuing ordinary shares at a price which would result in the dilution of the net asset value per share.

The Directors do not require authority pursuant to section 551 of the Companies Act 2006 to re-issue ordinary shares from treasury.

RESOLUTION 15

The Company's Articles of Association permit general meetings other than AGMs to be held on 14 days' notice. However, under the Companies (Shareholders' Rights) Regulations 2009 companies are only able to opt for a notice period of 14 days in respect of general meetings other than the AGM if it is annually authorised by shareholders at the AGM each year. Shareholders approved this resolution at previous AGMs and the renewal of this authority is proposed. The Directors will not use this power to enable them to hold meetings at short notice as a matter of routine but only where the circumstances justify it and it is thought to be in shareholders' interests to do so.

RECOMMENDATION

The Directors believe that the proposed resolutions are in the best interests of the Company and its shareholders and unanimously recommend that you vote in favour of them. The Directors intend to vote their personal shareholdings in favour of all of the resolutions.

Yours sincerely,

Gregor Stewart
Chairman

15 Notice of general meetings

That a general meeting other than the annual general meeting may be called on not less than 14 clear days' notice.

By order of the Board

Juniper Partners Limited, Company Secretary
17 March 2023

NOTES:

1. Holders of ordinary shares are entitled to attend and vote at General Meetings of the Company. The total number of issued ordinary shares in the Company on 6 March 2023, which is the latest practicable date before the publication of this Notice, is 291,834,600 ordinary shares. On a vote by show of hands every member who is present has one vote and every proxy present who has been duly appointed by a member entitled to vote has one vote. All votes will be taken on a poll.
2. All members entitled to attend and vote have the right to appoint a proxy to attend and vote at the meeting instead of them. A Form of Proxy is enclosed with this Notice. A proxy need not be a member of the Company. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different ordinary share or ordinary shares held by the shareholder. The appointment of a proxy will not prevent a member from subsequently attending and voting at the meeting in person.

Holders of ordinary shares through Interactive Investor Services Limited, who previously held their shares through Alliance Trust Savings Limited, are not members of the Company, as the ordinary shares are registered in the name of that company's nominee, but may normally attend and vote at the meeting by being appointed a proxy for their own shareholding. Unless a Form of Direction is returned nominating the chair of the meeting or another person as the person to be appointed as a proxy in respect of your ordinary shares the nominee of Interactive Investor Services Limited's will appoint the holder of the ordinary shares as proxy for those ordinary shares. A Form of Direction is enclosed with this Notice and should only be returned if appointing the chair of the meeting or another person to be your proxy. If the chair or another person is appointed as a proxy, the beneficial holder of the relevant ordinary shares may attend the Annual General Meeting but will not be able to vote at the meeting.
3. To be effective the instrument appointing a proxy, and any power of attorney or other authority under which it is signed (or a notarially certified copy of any such power or authority), must be sent to the Company's registrar at the address shown on the Form of Proxy or lodged electronically at www.investorcentre.co.uk/eproxy or by CREST members using the CREST proxy voting service (see note 6 on the Form of Proxy) in each case, not less than 48 hours before the time for holding the meeting or adjourned meeting. Forms of Direction must be received by the Company's registrar no later than 11:00am on 20 April 2023 or lodged electronically at www.eproxyappointment.com by that time.
4. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the Annual General Meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same ordinary shares. It is no longer necessary to nominate a designated corporate representative.
5. The right to appoint a proxy does not apply to persons whose ordinary shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ("Nominated Persons"). Nominated Persons may have a right under an agreement with the member who holds the ordinary shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if Nominated Persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the ordinary shares as to the exercise of voting rights. Any statement of the rights of shareholders in relation to the appointment of proxies does not apply to Nominated Persons as these rights can only be exercised by shareholders of the Company.
6. Copies of the terms and conditions of appointment of all Directors are available for inspection at the Company's registered office during business hours on any weekday (public holidays excluded) and will also be available for inspection at the place of the meeting for 15 minutes before and during the meeting.
7. The Company must cause to be answered at the Annual General Meeting any question relating to the business being dealt with at the Annual General Meeting which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable, in the interests of the Company or the good order of the meeting, that the question be answered or if to do so would involve the disclosure of confidential information.
8. The following information is, or will be, available on the Company's website (www.alliancetrust.co.uk): (i) the contents of this notice of the Annual General Meeting; (ii) the total numbers of (a) shares in the Company, and (b) shares of each class, in respect of which members are entitled to exercise voting rights at the Annual General Meeting; (iii) the totals of the voting rights that members are entitled to exercise at the meeting in respect of the shares of each class; and (iv) any members' statements, members' resolutions or members' matters of business received by the Company after the date of this notice.
9. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the registrar's website www.euroclear.com/ CREST. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
10. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & International Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's registrar (ID 3RA50) no later than 48 hours (excluding non-working days) before the time of the meeting or any adjournment. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
11. CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
12. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
13. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11:00 am on 25 April 2023 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
14. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 and Section 311 of the Companies Act 2006, the Company specifies that to be entitled to attend and vote at the General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company no later than 6:00pm on 25 April 2023 or, in the event that the meeting is adjourned, 6pm on the day two business days prior to any adjourned meeting. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
15. Any person holding 3 per cent. or more of the total voting rights of the Company who appoints a person other than the chair of the meeting as their proxy will need to ensure that both they and their proxy comply with their respective disclosure obligations under the UK Disclosure and Transparency Rules.

If the box is left blank your proxy will be deemed to be authorised in respect of your full voting entitlement.
- Please use the accompanying 'Form of Proxy' and prepaid envelope to let us know if you are appointing a proxy to vote on your behalf. If you wish to appoint more than one proxy please use a photocopy of the Form of Proxy or obtain an additional Form of Proxy from the Company's registrar by contacting them on 0370 889 3187. Please also indicate by ticking the box provided if the proxy instruction is one of multiple instructions being given. All Forms of Proxy must be signed and should be returned together in the same envelope.
- Appointment of a proxy will not preclude you from attending and voting in person at the meeting. Voting in person will override the appointment of your proxy. If these arrangements change, members will be notified by the Company via its website and a Regulatory Information Service.
- Any joint holder may vote. However if both holders attend the meeting only one will be able to vote at the meeting. This will normally be the holder whose name appears first in the register of members.
- Where someone else signs the form on your behalf, the authority entitling them to do so, or a certified copy of it, must accompany the form.
- Where the member appointing a proxy is a corporation, the form must be under its common seal or signed by a duly authorised officer, attorney or other authorised person and

a copy of the authority provided.
